

Christian Crisis Center

of Alexander County

Christian Crisis Center (CCC) has been assisting with the basic needs of Alexander County residence for 25th years. As they continue to meet essential needs in our community they also seek to share the Gospel with the many who come into the center for aid. East Taylorsville and many other churches in Alexander County are regular supporters of this great ministry. As you tithe at ETBC, know that you are part of supporting the life-changing ministry of the CCC each month.

Annual Cost:

CCC currently has over 50 requests for financial assistance each month and there is a constant endeavor to keep enough food on the pantry shelves to help an average of 700 families with food, each month. Last year, the Crisis Center gave out \$57,165.24 in benevolence towards power, water, rent, medicine, fuel oil, and gas for hospitals trips. Another \$16,033.44 was spent on food purchased at Second Harvest Food Bank in Winston.

Ongoing Needs:

Items constantly needed from our local churches are: pastas, peanut butter, crackers, soup, juice, brown beans, and any vegetables except corn and greens right now. Paper products such as toilet paper, paper towels, diapers, pads, shampoo and toothpaste are also asked for, but only given out when they are available.
