January Mission Focus: Caring Hearts Pregnancy Center

Caring Hearts Pregnancy Center is a non-profit, non-denominational, non-political organization committed to providing care, compassion, information and support to anyone facing pregnancy whether planned or unplanned. We have been serving Alexander and surrounding counties since 2006. Supported by our local community via churches, businesses, individuals, clubs/organizations, and occasionally by grants. All services are free and confidential.

Some steps of faith are simple, some are filled with twists and turns. As the new building renovation is drawing close to completion, CHP has been surprised by quite a few twists and turns on this journey. The teams have been amazing at finding solutions and keeping costs to a minimum! But as is often the case with renovations on an older space, some things have just got to be taken care of. Repairs have added quite a bit to our predetermined budget, causing us to have to dip deeply into our general funds. CHP Board & Staff continue to pray and trust God for his timing to provide as He always has. As the steps of faith are coming to completion, Caring Hearts can't wait to see how God will continue to work at 163 Main Ave. Dr. Taylorsville.
