### March Mission Focus: Word of Messiah

After coming to faith in Yeshua on January 10, 1972, God gave Sam Nadler a great burden to share Messiah with other Jewish people. Sam was soon with Jews for Jesus, traveling around the country doing outreach with an evangelistic music group called the "Liberated Wailing Wall." In 1975, he and his wife, Miriam, established the New York City branch of Jews for Jesus. God gave Sam Nadler a great burden to share Messiah with Jewish people, focusing on planting Messianic congregations where Jewish believers are disciplined in light of their Jewish identity. Sam and Miriam have been leaders for Jews for Jesus, Chosen People Ministries, and now for Word of Messiah Ministries. In light of this, Sam and Miriam began to focus on planting Messianic on congregations, places where Jewish believers are disciplined in light of their Jewish identity, proclaiming God's faithfulness to the Jewish people and to all people in Yeshua. Later, as US Northeast Regional Director and then President of Chosen People Ministries, Sam began to implement this model of missions, focusing on outreach through Messianic congregation planting worldwide. In 1996, Sam and Miriam established Word of Messiah Ministries in order to train and support Messianic leaders and their wives in their vital work around the world, as well as equip the Body of Messiah in Jewish ministry.
